

## **Joy of Meetings**

Our unique Joy of Meetings program is designed to provide a relaxed environment that increases team productivity during meetings, between sessions, and stimulates continued conversation long after the meeting comes to a close. Choose from a selection of ideas that we have that are unique to the Shorebreak Hotel.

Take a break from the boardroom and join us in the other board room – *The Ocean* - for a surf lesson, a brisk walk through the Bolsa Chica Wetlands, or an evening happy hour by a bonfire on the beach.
